Contract Date	

Hype Entertainment will be referred to as H.E. in the following statements.

- This contract must be returned along with a \$100.00 non-refundable deposit by 11:59 PM Atlantic Standard Time on the date stated on the "Contract Date" line above. If the contract and the deposit are not both returned by the time indicated, the contract is considered void and the requested date will not be held. The deposit is payable in the form of Cash or Interac E-Transfer and will be deducted from the total function fee.
- In the event that the purchaser must cancel the booking under any circumstances, H.E. must be notified **by phone conversation** no later than 90 days prior to the function date. If a 90 day notification is not given, all remaining fees are due in full immediately. If the date is rescheduled, H.E. is automatically considered to be re-booked for that date. If H.E.'s services are not available for the rescheduled date, H.E. is cleared of all obligation to provide services for that date and payment is due in full immediately.
- The setup area for the DJ system must be clean, clear, within 50 feet of an electrical outlet solely for H.E.'s use, and be equipped with a 6 foot table. This area must be in direct view of the dance floor. H.E. requires access to the venue a minimum of 2 hours prior to the contracted start time. If the setup area in any way compromises the safety of H.E.'s equipment, setup will not be completed until appropriate accommodations are made. Equipment cannot be set up outside for ceremonies if it's exposed to any amount of rain whatsoever.
- The purchaser agrees to submit the Wedding Day Entertainment Guide no later than 30 days prior to the function date. H.E. will attempt, but cannot guarantee accommodation of any changes made to the information provided in the guide. H.E. provides music obtained through a legal source that may not offer all versions or remixes of certain songs. If such a song is required, it must be provided to H.E. via emailed mp3 file or YouTube link no later than 30 days prior to the function date.
- H.E. often uses photos and videos taken at functions for promotional purposes. Unless otherwise requested, the purchaser gives consent to their use.
- **All remaining fees are due no later than 7:00 PM on the function date in the form of Cash. Payments are not accepted before the function date.**

Thank you, we appreciate your business.
